

Tue. Nov. 3, 1942

On readiness today  
but weather was  
pretty bad so nothing  
doing. I've been gone  
from home just a  
year today. Getting  
cool here these days.

Wed. Nov. 4, 1942

Mrs. Roosevelt came  
up to see us. We  
went up & put on  
a show for her.  
Went to the movies  
this evening. Then  
a beer & on to  
the bullet & to bed.
