

TO HONOR

RUTH BURNETT WOODYARD

Ruth Woodyard passed away peacefully at her home in Sun City West, Arizona on March 27, 1999 after a courageous two-year battle with cancer. She was a devoted mother of six children, a beloved grandmother of 12 grandchildren and a gracious companion for 57 years to Bill Woodyard, Brigadier General and Dean of the Faculty at the Air Force Academy from 1968-1978. Ruth, along with her husband, Bill, moved to Sun City West in July of 1979. True to her nature throughout her life, she immediately set out to help others. Ruth became a well-known member of several volunteer organizations providing invaluable service to her community. Ruth was a wonderful gift to her family and to those fortunate enough to have known her. She will be dearly missed.
