

TO HONOR

EUGENE S. TETER

TECHNICAL SERGEANT, U.S. ARMY CORPS

1923-2002

Mr. Teter achieved the rank of Technical Sergeant while serving with the US Army Air Forces in the European Theater of Operations during World War II. Following his military service, Mr. Teter worked as a mechanical engineer in the construction materials industry. His activities as a professional engineer took him to many locations in Central and South America and to numerous points within the United States. His military service in the European Theater and subsequent civilian experience in Latin America infused Mr. Teter with an undying love and enthusiasm for the freedoms we all enjoy as Americans, freedoms which far too many take for granted.

An Incredibly Patriotic American
