

TO HONOR

THOMAS H. KENDALL

LT. COLONEL, USAF (RET.)

1922 – 2000

Colonel Kendall was shot down while serving as a navigator on a night mission in Europe. He remained a prisoner of war in Stalag Luft III until liberated. He graduated from Ohio State University as an aeronautical engineer and worked for the OSU Research Laboratory for over 30 years. Colonel Kendall and his wife, Loueva May, had three sons and three grandchildren.
