Dear General:

I want to thank you and the Friends for all the courtesies you extended to us on our recent visit for the donation of the Stratemeyer collection. All of us had a memorable time especially meeting you and the Superintendent. We had at time at the Superintendents breakfast and at game. It wasn't a good day for the Falcons. They tried to make a comeback at the end but fell short. Too bad.

Before departing for home we had Sunday brunch at the officers club with Donna and Floyd Hildebrand. Floyd is a member of "The Hump Pilots Association" and served under Stratemeyer in the CBI Theater. It was most interesting talking to him about his experiences. Better yet, they served my old favorite, S. O. S.

Thanks again and good luck in the future.

Very truly yours,
