Dear Friend of the Academy

I am writing you to announce a new, exciting development at the Air Force Academy and to invite you to join us by becoming a distinguished Charter Member.

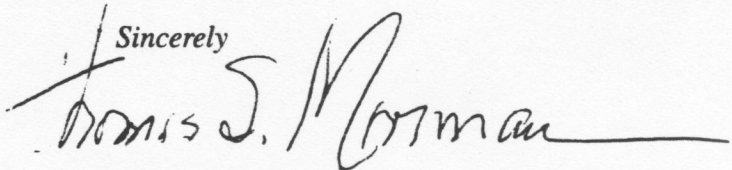

We have recently established a charitable, non-profit corporation to be known as The Friends of the Air Force Academy Library. The primary goal of the Friends is to enhance the quality of the Academy Library as an educational, research, scientific, and cultural institution. The Friends will enable the Library to acquire materials, to pursue projects, to create publications, and to implement services over and above those made possible by funds appropriated by the Air Force.

The Friends is a Colorado corporation and is qualified under Section 501(c)(3) of the U.S. Internal Revenue Service Tax Code. All contributions are tax deductible, as provided by law. We are soliciting your support through gifts of funds, memorials, bequests, rare books, films, electronic media, and personal papers dealing with aeronautical and airpower themes.

Charter Members making a donation of \$50.00 or more will receive a gift of a limited edition, numbered reproduction of a rare aeronautical print from the Gimbel Collection. Members will also receive newsletters and invitations to special Library programs and meetings.

We hope you will decide to participate in this challenging endeavor.

Sincerely

THOMAS S. MOORMAN, Lt Gen., USAF (Ret)
President
